***Ballet Royale Minnesota***  
***Summer Intensive Ballet Program***  
***July 9 – August 3, 2012***

Ballet Royale Minnesota's Summer Intensive provides students ages 9 and up an exciting and rigorous ballet-based dance program. Master teachers join our renowned faculty to give professional instruction in a structured and focused setting, allowing each student to reach his or her full potential. Classes include Classical Ballet Technique, Pointe, Preparation for Pointe, Modern, Jazz and Character dance, Variations, Repertoire, Men's class, Conditioning, Acting, Pilates, Lectures, Injury Prevention and Conditioning, and Choreographic Methods.

The Summer Intensive is a flexible, one, two, three, or four week program that culminates in a student Showcase Performance on the last day for students attending the full four weeks. Students may sign up for any or all of the first three weeks in any combination; the fourth week is only open to students attending the full program. The Intensive is intended to accommodate students' summer schedules as much as possible, allowing those who are unable to commit to the full four weeks the opportunity to still receive quality professional summer training. Students are encouraged to attend as many weeks as possible to obtain the greatest benefit.

Enrollment in the Program is limited, in order to maintain the quality of the training. **Class placements for those accepted into the Summer Intensive are made based on the order Registrations are received.** A \$100 non-refundable deposit is required with the program registration form, which is due by May 14, 2012.
